Dear Lucy Xu,
Thank you for your email.
I am writing to appreciate JMR team for providing review on my paper.
Surely, I am very pleased to accept publication on JMR. However, if possible, can we request for additional time to revise our paper (i.e. title and several substantive concept), since we believe that the revised substantive concept will be more beneficial for growing body of literature and Customs organization overall. If possible, I will revise ASAP and get back to you by the end of September.
Thank you for your consideration.

Best regards
AES
